I. Activities during FY 1959. (1 meeting)

The SC revised the statement of Priority Research Deficiencies in Minerals and Metals for the Sino-Soviet Bloc; discussed bilaterally with interested SC members basic statistics in the field; provided support to the USIB Exchange Committee in connection with 2 proposed exchanges in the field of minerals and metals.

II. Activities during First Half of FY 1960. (No meetings)

Continued assistance to USIB Exchange Committee in connection with proposed exchanges; revised statements of Priority Research Deficiencies in Minerals and Metals in the Sino-Soviet Bloc ~~were~~ approved by the EIC on 7 August 1959; continued ad hoc consultations.

III. Plans for FY 1960 (From SC Annual Report, 3 June 1959)

The SC plans to continue to serve as a forum for the discussion of substantive intelligence in its field and for such other purposes within its mission as the EIC may direct or the needs of the intelligence community may indicate. It is anticipated that during the ensuing year more attention will be directed toward the maintenance of agreed basic statistics and the collective consideration of research and collection deficiencies.
